Part 1 – GENERAL INFORMATION

The Mission of the World Association of Girl Guides and Girl Scouts is:

“to enable girls and young women to develop their fullest potential as responsible citizens of the world.”

1.1 The purpose of the World Conference

Once every three years, to promote the Mission of the World Association of Girl Guides and Girl Scouts, the Member Organizations meet together in Conference to:

- consider and determine the policy of Girl Guiding and Girl Scouting throughout the world;
- set the policy for the next three years;
- deal with business matters, and to exchange ideas and experiences.

1.2 The Agenda of the World Conference

The Agenda is prepared by the World Board from items submitted by Member Organizations and by the World Board. There is a constitutional requirement that it be posted to Member Organizations in time to reach them at least four months before the date of the World Conference.

1.3 The programme of the World Conference

The programme outlines the timetable and the content of the World Conference and is devised by the World Board, in consultation with the Hostess Member Organization.

1.4 The languages of the World Conference

The working languages of the Conference are English, French and Spanish and participants should have a good working knowledge of one of these. Simultaneous interpretation in these three languages will be available during the Plenary Sessions. Arabic interpretation may also be available.

The Conference Documents and papers are available in English, French and Spanish. Conference documents and relevant papers are also available in Arabic, whenever practicable.

1.5 The World Conference, its participants and their responsibilities

1.5.1 Delegations from Member Organizations (Delegates and Observers)

Each Full or Associate Member Organization of the World Association is entitled to send two Delegates appointed from within its membership.

In addition, Member Organizations may send Observers according to the following scale based on their individual membership numbers:

<table>
<thead>
<tr>
<th>Membership Range</th>
<th>Number of Observers</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 to 20,000</td>
<td>1</td>
</tr>
<tr>
<td>20,001 to 50,000</td>
<td>3</td>
</tr>
<tr>
<td>50,001 to 150,000</td>
<td>4</td>
</tr>
<tr>
<td>150,001 to 250,000</td>
<td>5</td>
</tr>
<tr>
<td>250,001 to 1,000,000</td>
<td>7</td>
</tr>
<tr>
<td>1,000,001 or more</td>
<td>8</td>
</tr>
</tbody>
</table>

In cases where the above scale does not allow a Federation to send two members from each Component Association – be they delegates or observers – the delegation can include two members from each Component Association.

The Delegates carry the authority of their Member Organization to speak and vote on its behalf and are expected to participate in all proceedings.

The Observers act in support of their Delegates and may speak only if so requested by their Delegation.

Conference material, including the Agenda and supporting material, is sent to all Member Organizations for advance study and the preparation of their representatives.

Documents which support the Agenda will be made available in English, French, Spanish and, whenever practicable, Arabic to Member Organizations by the World Bureau, electronically or through its mailings.

Member Organizations will receive only one copy of each document, which supports the Agenda in each language in which the Member Organization usually receives its mailings from the World Bureau. At the end of each round of voting the top place is displayed. Substitute positions will be filled by the 2nd and 3rd position in the 6th round.

If two or more candidates each receive the highest number of votes, they are all elected, unless there is a tied vote for the last position. This will require a second vote between the tied candidates. Voting continues until all vacancies have been filled.

2.6.5 For the selection of the host of the next World Conference, the decision will be by simple majority; where there are more than two bids there will be an initial round of voting for all the bids. If no bid receives a simple majority, the bid with the lowest number of votes will be eliminated, and a further round of voting will take place.
