Our Chalet Youth Event for Guides & Scouts Age 12-18

The next few pages give an overview of the programme activities included in this event. If you are unsure if any activity is suitable for your group, please contact programme@ourchalet.waggs.org before making your booking.

NOTE: All programme activities are subject to change depending on availability of suppliers and weather conditions.

Important information about programme:

- This event is open to Guides and Scouts aged 12-18. All participants must be socially and emotionally capable of taking part in an active week with peers of this age group.
- Leaders must accompany their youth participants on all programme activities and are responsible for first aid for their group at all times.
- It is the responsibility of the group to check that activities meet their Member Organisation's rules and are covered by their travel insurance.
- The transport options listed in the 'adaptations' are only available for participants with a permanent disability or medical condition that affects their mobility.
- In all other cases groups are responsible for any costs associated with additional transport for their participants, e.g. taxis in lieu of walking.

Cross one of Europe's longest pedestrian suspension bridges (153 metres long and 38 metres high!) before following the river to Frutigen. The riverside trail has many woodcarved creatures waiting to greet you along the way.

Adelboden village offers plenty of opportunities to shop for souvenirs, try local treats in one of the cafes, and see many traditional Swiss buildings. Our Chalet can also offer a scavenger hunt for those who would like a challenge while they explore the village.

This day is guided by Our Chalet staff.

Practical information:

Walking: 1 km downhill (20 mins) + 4.5km mostly flat (1¼ hour) + 2.5km steep downhill and steep uphill (45 to 60 mins)

Special considerations: The riverside trail is a gravel path and uneven in places. The bridge is high and sways and is therefore unsuitable for those with a severe phobia of heights. It may be difficult for those with restricted mobility to cross unaided.

Adaptation: For participants with physical disabilities transport, including wheelchair-accessible transport, can be arranged. The public bus from Frutigen to Adelboden is wheelchair accessible. The bridge is suitable for crossing for users of smaller manual wheelchairs.

SPIEZ, LAKE THUN, & CASTLE

Alpine Lake Thun is 17.5 km long and 3.5 km wide with a stunning mountain backdrop. Explore the harbour area at Spiez with a view of the 2,362m pyramid shaped mountain, Niesen, then enjoy a boat ride on the turquoise waters of Lake Thun to visit one of the 12th and 13th century castles on its shores.

This day is guided by Our Chalet staff.

Practical information:

Walking: 200m steep downhill (5 mins) + walking around Spiez harbour and the castle + 200m steep uphill (10 mins)

Special considerations: The castle has lots of stairs and is not recommended for those with very limited mobility.

Adaptations: For participants with physical disabilities transport, including wheelchair-accessible transport, can be arranged. The boat is wheelchair accessible. An excursion to Thun town can be offered in place of a visit to the castle.

ADVENTURE PARK & ROCK CLIMBING

Adelboden Adventure Park offers a day of thrills with zip lines, rock climbing, and abseiling. Spend the day challenging yourself to try new things and conquer your fears!

This day is guided by Our Chalet staff. All activities at the Adventure Park are led by qualified, English speaking instructors.

Practical information:

Walking: 3.5 km mix of downhill, flat, and uphill (60 mins) + return

Special considerations: In wet weather rock climbing may take place indoors.

Adaptations: For participants with physical disabilities transport, including wheelchair-accessible transport, can be arranged from Our Chalet to the Adventure Park and return. Some activities at the Adventure Park can be adapted depending on ability level.

ENGSTLIGENALP & CHEESEMAKER

Engstligenalp is located at 1,964m and offers spectacular views of the valley and the surrounding mountains, as well as Switzerland's second highest waterfall. The gondola (cable car) whisks participants up to the alp in seven minutes with views of the waterfall below.

View the waterfall before riding the gondola to the alp, where staff will lead you on a short hike around the alp with stops for games and a picnic lunch along the way.

A visit to the cheesemaker and/or one of the mountain huts finishes the day before descending on the gondola.

This day is guided by Our Chalet staff.

Practical information:

Walking: 2 km, mostly downhill (30 mins) + 1 km mostly flat (20 mins) + 4.5 km flat (1 hour)

Special considerations: The trail to the waterfall (1 km return) is a wide trail over unpaved ground with tree roots, stones and one short steep section.

Adaptations: For participants with physical disabilities transport, including wheelchair-accessible transport, can be arranged from Our Chalet to Engstligen base gondola station. The gondola is wheelchair accessible. The hike on the alp is wheelchair accessible on a gravel path.

Pinning Ceremony, Tour, & Evening Programmes

After dinner on your arrival evening we will welcome you to Our Chalet with an opening ceremony for your event. Everyone taking part in the opening ceremony will receive a special Our Chalet pin only available to those who have visited the Centre. The ceremony is followed by a guided tour to help you learn your way around.

Throughout the week, we also run four evening programmes, one on each day when there is day programme. Each of these lasts approximately 1.5 hours and give participants more opportunities to learn new skills and develop friendships.

Free Day

Free Day is your opportunity to organise your own activity for your group and it is completely up to you what you choose to do! Perhaps your group want to spend more time exploring the Adelboden area or trying out the panoramic swimming pool, or maybe there is a destination further afield you don't want to miss. Once you have booked your event we will provide a Free Day Guide, which gives ideas, hints, and tips for planning your free day.

- Rooms/tents are not shared between groups, unless multiple groups request to share with each other.
- Bed linen and towels are provided for indoor accommodation. Sleeping bags are not permitted in indoor accommodation.
- For fire safety reasons it is not possible to add extra beds or mattresses to any of our rooms.
- No vehicles or camper vans are permitted on our campsite.

Cost for indoor accommodation package is CHF 777 per leader or youth age 16+ and CHF 738 per youth age 12-15. This includes six nights of accommodation, meals from dinner on arrival day to packed lunch on departure day, luggage transfers, and all event programme activities.

Our indoor accommodation is offered across two buildings:

Main Chalet opened in 1932 and offers dorm rooms, triple rooms, twin rooms and a single room. The largest dorm room can sleep up to 14 participants. None of the rooms in Main Chalet have bunk beds.

Spycher House opened in 1999 and offers one dorm room (sleeping up to eight participants), quad rooms, twin rooms and two single rooms. Some rooms in Spycher House have bunk beds.

Rooms will be assigned to your group by our Guest Services staff based on your needs. To maximise availability, groups may be split across both buildings. Our staff always ensure at least one leader is in the same building as participants from their group.

Participants from different groups do not usually share rooms (unless by request). However, different groups will share the same common facilities such as bathrooms and hallways. Our Chalet is open to Scouts and Guides of all genders.

For details of wheelchair accessibility in our indoor accommodation please e-mail info@ourchalet.wagggg.org. As a broad overview, accommodation suitable for manual wheelchair users is available in Spycher House. Users of powered wheelchairs or mobility scooters who can transfer to a manual chair without the use of a hoist can also access this accommodation.

Cost for Squirrel House accommodation package is CHF 486 per leader or youth age 16+ and CHF 447 per youth age 12-15. This includes six nights of accommodation, luggage transfers, and all event programme activities. Please note: there is a minimum group size of eight to book Squirrel House for a Summer Youth Event.

Squirrel House is perfect for smaller groups who would prefer not to camp but do not need the full indoor accommodation package. **In summer Squirrel House is available as self-catering accommodation only.**

Squirrel House sleeps up to six people downstairs on bunk beds and up to ten people upstairs on mattresses. There is a small kitchen in the downstairs sleeping area that can be used for self-catering.

Squirrel House has two toilets – one downstairs and one upstairs – but no showers. Participants staying in Squirrel House can use the showers in Main Chalet.

Squirrel House is not suitable for wheelchair users and is not recommended for those with limited mobility.

Grocery deliveries are available from Coop@Home and can be delivered Monday-Saturday.
