**Duration:** 1.5 hours

**Leaders:** Wumi, Naouel, Elise  
**Meeting host:** Chelsea  
**Number of Brownies expected:** 15

**Theme of the Meeting:** The Jungle

**Learning objectives:** With this online meeting, brownies will:  
- Think critically.  
- Be creative.  
- Be able to talk about their fears and how to overcome these.  
- Play collaboratively.

**14:00 Activity 1: Check-in (approx. 15 min)**  
Everyone says how are they feeling today and answer the question previously shared with all brownies: What is your best guiding memory? (Each Brownie has up to 1 minute.)

**14:15 Activity 2: Mimes (approx. 15 min)**  
The leader is going to share with you a list of animals or things related to the jungle. We will create 2 teams and one by one each brownie will have to mime something from the list, the team who guesses right scores 1 point.

**14:30 Stretching: (approx. 10 min):** We are going to take a 5-minute break to get tea and a cookie and then 5 minutes to stretch. Let’s all stand up and do some stretching together! Would anyone like to lead the 5-minute stretching exercise?

**14:40 Activity 3: Drawing (approx. 40 min)**  
Let’s all grab a piece of paper and our sharpies to draw how your safe space in the jungle would look like. How do you see it? Is it a tree house? Are your friends living in the house? Be creative! You have 15 minutes to draw, then you will show your drawing to the others. The Brownies who want to explain their drawings are welcomed to do so.

**15:20 Activity 4: Check-out (approx. 10 min)**  
To finish this meeting on a positive note, we are all going to say what we are looking forward to the most for the upcoming week. We will also share the reminders for our next meeting.
