WAGGGS has now created the next step to the ‘Free Being Me’ programme. ‘Action on Body Confidence’ not only has unique, fun and inspiring activities that help participants realise that they are beautiful just the way they are. This programme also focuses on learning about advocacy, identifying decision makers and taking action.

Guided Hike Day

For the Guided Hike Day, Our Chalet Staff will lead you on a full-day hike somewhere in the Adelboden Valley. You are able to choose from one of the three below hike options. The first two options are covered in the cost of all packages and based on age. The third option is suitable for all ages but comes at an additional cost and is not available for the entirety of the spring season (please see further details below).

Included in package price:

Woodcarver’s Hike & Adelboden Town
(best suited for girls 11+ years)
The most famous and traditional hike from Our Chalet takes you along quiet lanes, with breath taking views of the Adelboden valley. At the Woodcarver’s workshop you can purchase and admire a range of beautiful hand-carved objects, including many items unique to Our Chalet, like wooden name badges, Guide and Scout woggles, and music boxes that play the Our Chalet song. From the Woodcarver you can walk into Adelboden Town to explore, shop, or visit the Adelboden Museum. The Adelboden Scavenger Hunt will help you notice all the fun details and learn more about the village!

Bunderfalls & Magic Tree Hike
(best suited for girls <10 years)
This walk leads you to explore the valley extending behind Our Chalet. Meet our mascot Marta Marmot and accompany her on a leisurely walk to the beautiful Bunderfalls cascading down the Lohner mountains. Fun team building challenges await you on the way before you can enjoy the fresh, cold mountain water while snacking on your packed lunch. The loop through the Magic Tree hike leads you through the woods to what is rumoured to be the oldest tree in Adelboden – the Magic Tree, at 600 years old! The trunk of this tree is completely hollowed out, so make sure you step inside and make a wish – and help Marta Marmot on her mission!

When you return to Our Chalet in the afternoon, you can either choose to rest up for the evening or let Our Chalet staff entertain you for another hour!

For an additional cost:

Engstliengfalls Hike & Engstliengalp Experience
(suitable for all ages, minimum of 10 participants)
Start your day with a short lesson in map and compass skills, and then take turns leading your group on a 2-hour hike to the second largest waterfall in Switzerland! You may face different obstacles and challenges along the way before you can enjoy a packed lunch or a delicious BBQ lunch around a campfire. In the afternoon, take the gondola up to Engstliengalp, a protected high alpine plateau where snow stays long into the spring season. There are fantastic views of the valley from the top of the alp as well as a variety of activities depending on weather and snow coverage, from snow tubing to geocaching to enjoying a cup of hot cocoa in a restaurant. Please note that the gondola closes in early May, so this option is only available when the gondola is running.

CHF 20 – Engstliengalp Experience only (packed lunch)
CHF 25 – Engstliengalp Experience plus BBQ lunch

You may want to consider the option of catching the public bus partway back to Our Chalet at an approximate cost of CHF 10 per person.
Evening Programmes

Games Night

Join us for an evening of games! Games Nights are special at Our Chalet, and vary from longer, strategic wide games to short, energetic and creative ones. You could be solving a mystery, going on a Scavenger Hunt, and more!

Swiss Night

It’s time to experience Swiss culture! Listen to traditional Swiss music, learn interesting facts, test your knowledge about Switzerland and celebrate with chocolate fondue! There is an additional option of having an Alphorn player for the evening, at a cost of CHF 50 per group.

Campfire

Our Chalet international staff will run the campfire, where you’ll have a chance to learn new songs, games, dances and teach everybody some of your own favourites. At the campfire we will close the event and present badges to participants who complete the Our Chalet Challenge.

Patrol Duties

At Our Chalet, all event participants get a chance to lend a hand by participating in patrol duties. Depending on the age of the participants, you may find yourselves helping set the table for dinner or for breakfast, restocking the bathrooms with more toilet paper, or helping us with the recycling!

Our Chalet Challenge

If you feel like giving yourself the ultimate physical challenge, and would like to discover more about Our Chalet, Switzerland and WAGGGS, then the Our Chalet Challenge is for you! The Our Chalet Challenge consists of six components: Physical Challenge, WAGGGS Knowledge, Our Chalet History, Swiss Culture, Personal Challenge and Service. If you manage to complete all six sections, you will be presented with a special Our Chalet Challenge badge. The cost of the badge is included in the programme package.
