SMALL GROUP & TAILOR-MADE JOURNEYS
GIVING BACK

As shown in this brochure, we visit some of the most diverse social structures in the world; home to local communities far less fortunate than our own, with the associated challenges in education, health and future opportunities.

All too often, their plight goes unseen, whether it is mental disability with little or no access to appropriate services, poverty, child abandonment and the break down of the family unit, through to the abuse of domestic animals. Perfect Travels, through their suppliers, is proud to support a number of charitable organisations and we donate to bring relief to those in need. Join us in aiding these noble organisations to support future generations so they can enjoy inspiring journeys of their own.

WE SUPPORT THESE ORGANISATIONS

Friends of Mithra was started in 1977 by Sister Mary Theodore, who had a dream of making life better for young people with disabilities in Chennai, India.

SOS Children’s Villages aim is to provide a loving home for every child. There are over 32 Villages in 22 states in India, helping over 25,000 children with a family approach to long-term care.

For more than 7 decades, Gurukul has been providing conventional learning to hundreds of girls, supported by IT, with values that will enable them to be custodians of society.

Animal Aid was founded in 2002 to rescue and treat the stray animals of Rajasthan who have become ill or injured, inspiring the community to protect and defend the lives of all animals.

Creating multiple opportunities and providing platforms for the visually impaired to ensure sustainable social upliftment, enabling them to emerge as significant contributors in society.

We are proudly committed to sustainable and ethical tourism practices with our support of Wildlife SOS’ elephant, donkey, and the world’s largest bear rescue-rehabilitation centres in India.

OUR INDIA

How to describe India? A profusion of colour, chaos, sights, sounds and smells that will assault every sense on every level. Such a rich cultural heritage spans several centuries and takes its influences from its many rulers: Rajput, Mughal, British and Portuguese layered with multiple religions, traditional beliefs and customs, music, dance, architecture and food all combined to make a destination unlike any other. If you want to immerse yourself in local culture, travel in luxury staying in outrageously opulent palaces, drive deep into a National Park in search of the Tiger, or enjoy a serene cruise through the Backwaters of Kerala on a converted rice barge, Perfect Travels has the perfect Indian experience for you.

OUR PEOPLE

Perfect Travels, the Bajaj family business has been providing exemplary support for travellers to India for nearly 40 years. We are delighted to be associated with this award-winning team – their passion for excellence is a perfect match for Perfect Travels.

OUR DEPARTURES

We have timed our departures to include some of the most colourful and fascinating festivals India has to offer. Look for the ⭐ symbol which indicates a major Indian festival will be taking place during your journey.

OUR HOSTS

All of our professional guides are licensed by the Government of India and are fully equipped with the knowledge to offer you a quality experience.

JYOTI

An integral part of the Bajaj family, I learned this business from my father and founder of our company; guiding the best ethnic India experience submerged in rich local culture. My guests love a traditional cooking masterclass and interaction at my family home along with a rickshaw ride through the iconic Spice Markets of Old Delhi.

SHIRAZ

Born near the Taj Mahal, I obtained a Masters in History and Tourism to pursue what I love; guiding and cultural exchange. My guests feel there is no better place than South India with its backwater cruises, heritage walks through a French colony or Jew Town, Ayurveda massages, wildlife sanctuaries and tea trails.

SUNNY

For the last 15 years it has been my pleasure and passion to showcase beautiful India with its diverse sights and sounds to our travellers. My guests love the Exotic Marigold route, the romantic mystery story behind the Taj Mahal and my hometown state Rajasthan, land of Maharajas. There is no better person to showcase India!
