Day Programme Descriptions

We have created a programme centred around the Guiding and Scouting methodology by focusing on developing life skills and positive lifestyle attitudes through outdoor activities, personal challenge, and international friendship. The programmes incorporate a wide range of physical, cultural, and thought-provoking activities. These range from hiking, snowshoeing and cross-country skiing, to trying traditional crafts.

Through a partnership with Dove, WAGGGS has also released a new badge programme, which you will be able to complete over the course of the event. You may have heard of its predecessor ‘Free Being Me’, the programme that focuses on building self confidence and self-esteem. The next step ‘Action on Body Confidence’ was released in 2017. This programme focuses not only on building body confidence but also on learning about advocacy, identifying decision makers and taking action.

The Our Chalet Team is pleased to bring you the following activities, all of which are led by our programme and volunteer staff. Please note that due to the variability of weather at this time of year, the programme is subject to change. This is a preliminary itinerary.

Day Programmes

On-Site Day
The first full day is based at Our Chalet. We start with an official Opening Ceremony followed by on-site activities. These will include starting on the ‘Action on Body Confidence’ badge programme and depending on the weather two of the following activities: campfire skills and cooking, orienteering, igloo building, on-site sledging, snowshoe games or Swiss crafts.

Woodcarver’s Hike & Adelboden Town
The most famous and traditional hike from Our Chalet takes you along quiet lanes, with breathtaking views of the Adelboden valley for 2 hours. At the Woodcarver’s workshop you can purchase and admire a range of beautiful hand-carved objects, including many items unique to Our Chalet, like wooden name badges and music boxes that play the Our Chalet song. From the Woodcarver we then walk an additional 1.5 hours into Adelboden Town.

Engstligen Hike
After another inspiring Action on Body Confidence Session in the morning, we will spend the rest of the day outside. This hike will take us along the banks of the River Engstlige for approximately 2 hours, ascending 188m to reach the base of Engstligen Falls, the second tallest waterfall in Switzerland!

Kandersteg & Blausee
On this excursion day, you will visit the beautiful village of Kandersteg which is located in the valley next to Adelboden, separated by the impressive Lohner mountains. You will have a chance to visit Kandersteg International Scout Centre as well as stop by the beautiful Blausee nature park with its very blue lake.
Evening Programmes

Our Chalet Tour

After your arrival, come and learn about the history of Our Chalet with a presentation. We will then take you on a tour of the main buildings.

Action on Body Confidence

Spend two evenings completing more from the interactive ‘Action on Body Confidence’ badge programme, boosting your body confidence and self-esteem and learning how to make a change!

Swiss Night

It's time to experience Swiss culture! Listen to traditional Swiss music, learn interesting facts, test your knowledge about Switzerland and celebrate with chocolate fondue! There is an additional option of having an Alphorn player for the evening, at a cost of CHF 50 per group.

WAGGGS Night

There are 10 million Girl Guides and Girl Scouts around the world. Find out what they do, what WAGGGS is doing to improve the lives of girls and young women around the globe, and what it means to be a member.

Campfire & Closing Ceremony

Our Chalet international staff will run the campfire, where you'll have a chance to learn new songs, games, dances and teach everybody some of your own favourites. At the campfire we will close the event and present badges to participants who complete the Our Chalet Challenge.
Patrol Duties

At Our Chalet, all event participants get a chance to lend a hand by participating in patrol duties. Depending on the age of the participants, you may find yourselves helping set the table for dinner or for breakfast, restocking the bathrooms with more toilet paper, or helping us with the recycling!

Our Chalet Challenge

If you feel like giving yourself the ultimate physical challenge, and would like to discover more about Our Chalet, Switzerland and WAGGGS, then the Our Chalet Challenge is for you! The Our Chalet Challenge consists of six components: Physical Challenge, WAGGGS Knowledge, Our Chalet History, Swiss Culture, Personal Challenge and Service. If you manage to complete all six sections, you will be presented with a special Our Chalet Challenge badge. The cost of the badge is included in the programme package.
