

Summer (June - August)

Guest Services

Guest services involve the daily tasks that keep Our Chalet running and functioning as in any hospitality setting, that allow us to welcome guests into our beautiful mountain home.

- Catering for staff and guests - breakfast, lunch and dinner.
- Cleaning bathrooms and common areas, resetting guest rooms and general house chores.
- Giving Our Chalet tours to the visitors.
- Serving customers in the on-site shop.
- Assisting in grounds and maintenance jobs such as wood preparation and recycling.
- Assisting with administration such as checking in guests, entering data and similar.

Summer Day Programme

When we have guests staying with us they will either be event participants or independent guests. We run programme for event guests and sometime independent guests also have the chance to opt in. Depending on guest numbers, volunteers will have a chance to lead most of the following programmes:

- On site day - making fires, crafts, orienteering and eco hut activities
- Adventure park - high ropes, zip wire and climbing course
- Woodcarvers hike
- Elsigentalp hike
- Interlaken excursion
- Niesen and Thun excursion

Possible events taking place:

- Mini breaks
- Mini Swiss Challenge
- Swiss Challenge

Please note that the events running are subject to change and are dependent on guest bookings.

Evening Programmes

- Indoor and outdoor games, campfires, craft activities, evening hikes, international evenings and many more!
