Pax Lodge is one of our five World Centres and is a place for members and families of the World Association of Girl Guides and Girl Scouts to meet. It offers accommodation (for guiding/scouting and non-guiding/non-scouting guests), meeting facilities for different companies, international volunteering programmes, programmes and a wide range of activities.

As a Volunteer you would be closely working with Deputy World Centre Manager – Programme, Front of House staff and Guests that can be either with or without Guiding/Scouting background. How does it work?

Volunteers work different day patterns and are off on different days and their time is divided in different areas of the World Centre, including Kitchen, Housekeeping, Programme and Office, working on the volunteer rota covering shifts between 07:00-21:00 and can consist of five days on and two days off, four days on and one day off or any other combination. This means that you will have different days off each week. While on duty you will have an opportunity to work in each area, although this may vary depending on the season you are applying for. Occasionally we can adjust the rota to accommodate specific days off (e.g. if you have friends or family visiting) but this is not always possible. Notice the month before is required for any requests to change the rota.
