

# WORLD CENTRES VIRTUAL PROGRAMME 2021

## A VIRTUAL WORLD OF POSSIBILITIES

### GLOBAL ADVENTURES

Are you dreaming about travelling to the World Centres but have found yourself stuck at home? You can now travel virtually to all the five World Centres! Race across Europe completing mini challenges; travel through London while learning about our founders and those who have shaped Girl Guiding and Girl Scouting throughout time; learn what's needed to take part in an international World Centre adventure and hear first-hand the amazing experiences of Girl Guides/Girl Scouts who have been there before!

### CULTURAL DISCOVERIES

Do you love meeting people from around the world and learning more about their cultures? If you do, come and join us as we explore different cultural celebrations and skills from the countries our World Centres are lucky enough to be located in. Take a virtual trip through the Swiss Alps; move virtually around the Africa Region; celebrate the Festival of Light with Sangam and the Queen's Birthday with Pax Lodge. Or maybe you fancy trying a new hobby in 2021; we have everything from dancing to cooking and much more to keep you busy.

### WORLD CENTRES EXPLORATIONS

Ever wondered what happens during an event at our five World Centres? What activities you might experience during your stay? Or what our World Centres look like and how they celebrate their Birthdays? Come and join a virtual tour, an information session, or try some of our activities virtually, and learn about what makes our World Centres so special to our Movement. These sessions are the perfect chance to meet members of the Team and ask the questions you have always wanted to ask!

### INTERNATIONAL CONNECTIONS

Do you love being part of a Global sisterhood? And have had enough of being isolated by COVID19-? Join us, and hundreds of other Guides and Scouts from across the whole Movement, as we celebrate World Thinking Day, International Women's Day and International Friendship Day. If you would love to share what you love about Girl Guiding and Girl Scouting, or the culture in your home country, then our International Showcase events are for you! Experience the incredible feeling of being connected to other Girl Guides and Girls Scouts from all over the world who you can immediately call a friend!

**Programme starts 1st February, and registration opens 18th January**
